DO No. 401/9/2023-Cus.III

05th April, 2023

My dear Sandeep,

The analysis and assay of goods is at the core of the functions of all Customs and Excise assessment as well as in drug law enforcement. Recognizing this, the Department invested in a number of Chemical Laboratories around the country, over the years.

The upgradation of our Laboratories has been a key feature of our efforts to modernize Indian Customs. Recent years have seen a ramping up of the physical infrastructure as well as adoption of the latest technologies in our Chemical Laboratories. The efficacy of these efforts are vindicated by the accreditation of these twelve laboratories by the National Accreditation Board for Testing and Calibration Laboratories (NABL).

This has been possible owing to the initiative, drive and tireless effort put in by you and your team. It gives me immense pleasure in conveying to you Hon'ble Finance Minister's appreciation for the hard work and perseverance all of you have shown in achieving this outcome.

With Best Wishes,

Yours sincerely,
V. Johri
5/4/2023.
